

NACVA HONORS JAMES SPENCER AS A “40 UNDER 40” INDUSTRY LEADER

Jim Spencer of The Sargent Consulting Group, LLC (SCG) was recognized as an industry leader in The National Association of Certified Valuators and Analysts 2021 (NACVA) [“40 under 40”](#) feature in the spring issue.

Per NACVA, this prestigious award recognizes professionals “for their accomplishments to the profession and their communities and for their contributions yet to come”.

Jim, 35, is recognized as a leader at the firm and was nominated by his peers at SCG. He has earned numerous accreditations during his more than 10 years at SCG including the CFE, CVA, CIRA and CCA and has been integral in securing many of the firm’s largest wins in industries as diverse as Automotive, Construction, Family Law, Healthcare, Logistics, Manufacturing, Real Estate and Utilities.

Jim is a trusted advisor to trial attorneys and in-house counsel from pre-litigation fact finding to expert testimony. His strong background in finance is critical in helping him lead business valuations and damage calculations. Jim has extensive experience in the technology industry which helps keep SCG's technology cutting edge and the firm fully informed about advancements in eDiscovery and Computer Forensics.

Jim received his MBA from Saint Xavier University, is active in numerous professional organizations, a university guest lecturer and strong supporter of/volunteer for numerous charitable organizations in three states.

SCG is celebrating its 13th anniversary solving complicated problems for clients in three time zones and proud to acknowledge Jim as a critical part of our success.
